East Los Angeles Service Area WEEKLY BULLETIN

January 26, 2016

THIS WEEK IN HISTORY:

January 28, 1986, at 11:38 a.m. EST the space shuttle *Challenger* lifts off from Cape Canaveral, Florida, and Christa McAuliffe is on her way to becoming the first ordinary U.S. civilian to travel into space. McAuliffe, a 37-year-old high school social studies teacher from New Hampshire, won a competition that earned her a place among the seven-member crew of the *Challenger*. Seventy-three seconds into the flight, hundreds on the ground, including Christa's family, stared in disbelief as the shuttle exploded in a forking plume of smoke and fire. Millions more watched the wrenching tragedy unfold on live television. There were no survivors.

LAUSD Absence Management Program

The Division of Risk Management and Insurance
Services has released a Video "Employee Attendance
Management" available to all employees on the Learning
Zone. <https://lz.lausd.net/lz/index.jsp>

The LAUSD absence management program was estab-
lished to stress the value of attendance as it contributes
to the educational mission of our students. The video
illustrates why employee attendance is critical at every
work location.

Pharmacy Tech Advisory

The Division of Adult and Career Education held a Pharmacy Technician Employer Advisory Board meeting at Evans Adult School Thursday, January 21, 2016. ELASA staff in attendance were: **Alma Alvarez, Aaron Saenz, and Pharmacy Tech Instructor Vicky Broccolo.**

Representatives from **CVS**, and **Kaiser Permanente** offered input regarding skills needed for employment. Topics of discussion focused on Personal and Technical skills such as "People Skills", "Ability to collaborate with Co-Workers" "Personal Hygiene"... These "Soft Skills" mentioned seem to be a common thread amongst employers in general. Keep these attributes in mind as you train for your careers and seek employment.

District Policy You Should Know

Los Angeles Unified School District Employee Attendance Policy

While the vast majority of employees have a strong commitment to their work and excellent attendance, it is also clear that unnecessary absenteeism has a negative impact upon student achievement due to interruption of the continuity of instruction, and results in reduced productivity, loss of service, and significant costs to the Los Angeles Unified School District (LAUSD).
