WEEKLY BULLETIN

March 20, 2016

THIS WEEK IN HISTORY: March 18, 1852: New York City, Henry Wells and William G. Fargo join with several other investors to launch their namesake business. The discovery of gold in California in 1849 prompted a huge spike in the demand for cross-country shipping. Wells and Fargo decided to take advantage of these great opportunities. In July 1852, their company shipped its first loads of freight from the East Coast to mining camps scattered around Northern California.

2017 WASC ACCREDITATION:

The ELASA WASC leadership team has been meeting to begin work on next year's accreditation. The ELASA "Action Plan" is in place and the process has begun.

Accreditation Chairs: **Martha Peralta** and **Nabeel Kurban** will be in contact with staff members regarding input and assignments to focus groups.

Accreditation is a team effort that requires input and participation from all Staff, Students, and Community partners.

ELASA will be going through it's first full term accreditation since becoming the East Los Angeles Service Areas in the 2016-17 school year.

We look forward to welcoming the WASC visiting team next Spring.

Keep a look out in your mailbox and email for information.
