WEEKLY BULLETIN

April 18, 2016

THIS WEEK IN HISTORY: April 19, 1775 — The American Revolution begins:

At about 5 a.m., 700 British troops, march into Lexington to find 77 armed minutemen. British Major John Pitcairn ordered the outnumbered Patriots to disperse. Suddenly, the “shot heard around the world” was fired from an undetermined gun, and a cloud of musket smoke soon covered the green. When the brief Battle of Lexington ended and the American Revolution had begun. The battles of Lexington and Concord were the first battles of the American Revolution, a conflict that would escalate from a colonial uprising into a world war that, seven years later, would give birth to the independent United States of America.

District Policy You Should Know:

EMPLOYEE ATTENDANCE POLICY

Absenteeism has a negative impact upon student achievement due to interruption of the continuity of instruction, and results in reduced productivity, loss of service, and significant costs to the District. The Board of Education expects: Employees to maintain regular attendance and avoid absenteeism; Employees to work every hour they are assigned; Employees to be at their work stations on time every working day (teachers, 10 minutes prior to class time); Employees to comply with legal restrictions, LAUSD policy and procedures, and respective collective bargaining rules regarding reporting of absences and providing appropriate documentation; Supervisors to explain and insist upon regular attendance, maintain accurate employee attendance records, monitor attendance, and provide performance feedback to employees.
