WEEKLY BULLETIN

May 2, 2016

This Week in History: May 5, 1862 “The Battle of Puebla”

Cinco de Mayo Spanish for "May 5th", or literally, "Five of May" is a celebration held on May 5. The date is observed to commemorate the Mexican army's unlikely victory over French forces at the Battle of Puebla on **May 5, 1862**, under the leadership of General Ignacio Zaragoza Seguín. In the United States, Cinco de Mayo is sometimes mistaken to be Mexico's Independence Day—the most important national holiday in Mexico—which is celebrated on September 16.

RULES AND PROCEDURES TO REMEMBER

Setting clear rules and procedures, and following them consistently, will reduce discipline problems.

It's not how NICE you are or how MEAN you are, it's how **CONSISTENT** you are. Provide a kind reminder of your rules and procedures and then be consistent.
